**#Member:** International Society for Geometry and Graphics / Japan Society for Graphic Science / China Graphics Society

The AFGS (Asian Forum on Graphic Science) is an international conference on graphics participated mainly by Asian countries, but not confined to the Asian region. It is held in odd-numbered years every two years and it comes to the 13<sup>th</sup> conference, which will be hosted by The Hong Kong Polytechnic University - The Department of Building & Real Estate this year.

The AFGS 2021 aims to provide a platform for experts and scholars to exchange and discuss in the fields of geometry and graphics, computer graphics, industrial applications and research, graphics education and other related fields.

Renowned scholars from Serbian, Poland, Japan, South Korea and China are invited to give lecture and about 60 technical paper presentations will be delivered in this 2-day conference. Welcome experts and scholars from all over the world to attend the conference.

Please find the event e-flyer attached or visit <https://afgs2021.com/> for further details and registration.

It would indeed be our great pleasure to have you to join, interact and exchange their valuable views and ideas in this meaningful event.

If you have any enquires, please do not hesitate to contact our Event Secretariat, Mr. Sampson SIU / Ms. Yan CHAN at Tel: 3502-4983 or through email at [secretariat@afgs2021.com](mailto:secretariat@afgs2021.com).

Thank you for your kind consideration. We look forward to receiving your favorable support.
