

1st Young Researchers' Conference - Erosion and Torrent Control  
ETC 2018  
BELGRADE, 28-30 NOVEMBER 2018

### **Distinguished Colleagues and Dear Friends,**

On behalf of the Faculty of Forestry of Belgrade University, Republic of Serbia and the Organizing Committee, we are pleased to invite you to attend the "1st Young Researchers' Conference - Erosion and Torrent Control" (ETC 2018). The Conference will be hosted in Belgrade, Republic of Serbia, from 28 to 30 November 2018.

Young researchers (master and PhD students), as well as young doctors/assistant professors and young engineers are invited to present the results of their research and their practical work.

Main goal of the conference is to give an opportunity to young researchers and young engineers to share their research and knowledge in the field of erosion and torrent control and to bring them all together in order to contribute to preservation of the soil and water resources.

The official language of the conference is English. Power Point presentations should be in English.

**The Conference is organized by University of Belgrade, Faculty of Forestry, under the auspices of Republic of Serbia, Ministry of Agriculture, Forestry and Water Management.**
